Dear Business Owners,

The Caldwell Veterans Council (CVC) is excited to announce the 2nd Annual Sporting Clay Shoot event to benefit the Caldwell Veterans Memorial Hall project. Please hang our flier at your business and spread the word about this great event, and an excellent opportunity to support our veterans. The sporting clay shoot will take place, **August 5th, 2017** at the Caldwell Gun Club, Pond Ln, Caldwell, Idaho. Two flights will be available to shoot, (Morning Flight) **8:00 am to 1:00 pm** and (Afternoon Flight) **1:00 pm to 6:00 pm**, each consisting of **100 participants, or 25 teams of 4**. A special shooting station will also be available to challenge even the best shooters. **Free barbecue lunch for participants**

The CVC is a 501(c)(3) non-profit with the mission to provide services to veterans in the West Treasure Valley. Most veteran programs and services are provided at locations that are simply too far away or impossible to get to for thousands of veterans. Most will go without help, it is time to take the programs and services to them, where **VETERANS HELP VETERANS**. When the renovation of the Caldwell Veterans Memorial Hall is complete, veterans and their families will have a single, local source for critical services. However, there is still a lot of work to be done and significant funding must be raised to finish the project. You can visit our website to learn more; WWW:CVMH-VETS.ORG.
